RE: Modification Approval  
Kamp Kerogen Project  
Geokinetics  
ACT/047/002  
Uintah County, Utah

Dear Mr. Sharrer:

The minor relocation of the proposed surficial disturbance for the Geokinetics' refined retorting operations is hereby approved by the Division as outlined in your letter of August 19, 1983 and described to Thomas Tetting in a meeting of the same day. The updated map has satisfied the Division's concerns and the proposed changes will become part of the overall mining and reclamation plan. Thank you for keeping us informed.

Sincerely,

JAMES W. SMITH, JR
